

- The ultra-low-power Intel Atom processor provides great performance for everyday multitasking and productivity.
- The fanless design ensures quiet operation, minimizes dust accumulation, and results in a more comfortable work environment.
- The 18.5" widescreen with 1366 x 768 resolution, 16:9 aspect ratio and 1000:1 Acer Adaptive Contrast Management (ACM) contrast ratio displays business presentations clearly.
- Acer Security Suite safeguards data, passwords and other vital information via high-level encryption and security-key protection.
- Acer Client Manager simplifies network management, allowing many tasks such as configuring role-based and scope-based administration to be done easily and remotely.
- ENERGY STAR and EUP (Energy-Using Products) compliance maximizes energy efficiency for earth-friendly operation.
